“Within two weeks I’d designed and ordered 2000 stickers, created a false identity and implemented the plan.”

“...this book more accurately functions as annals in a greater war between art and apathy.”

John F. Buckley

“Blitzkrieg transcends genre and tries to evoke in the reader an understanding of something larger.”

Los Angeles Review

“The inspiration and dynamism of the small poem creates a larger project to spread poetry...”

Gently Read Literature

“...a new collection of multi-media non-fiction and poetry, is not for the traditionalist, but for the adventurer.”

Adirondack Review

Read the book, watch the short film, listen to the music, weigh in with the critics.
